Dear Dr. Bhattacharya,

Thank you for your invitation to be the Guest of Honor at the Harlem Science Parade on Saturday, October 2, 2010. As much as I would have loved to join you, I was in Washington, D.C. for the One Nation March on the National Mall. That being said, I hope the event went well.

For the past 10 years, the Harlem Children Society has been a great example of an organization that strives to help our community's youth. Your commitment to the underprivileged youth of Harlem is drastically altering their futures and will benefit many generations to come.

As you know, I greatly enjoyed speaking at your graduation ceremony in the spring. I am sorry again that I was unable to join you this past Saturday, but please know that you can continue to count on my strong support in the future.

Sincerely,

Charles B. Rangel
Member of Congress
